

Match the Animal With the Footprint!

Draw a line to connect them!

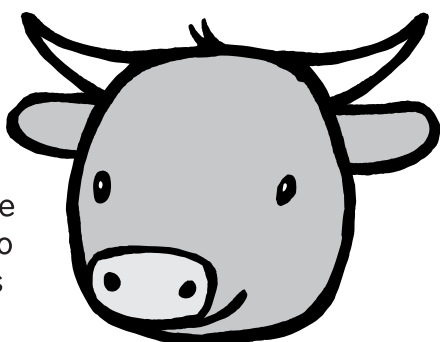

Chicken

Hint: You don't want to see my footprint near a factory farm!

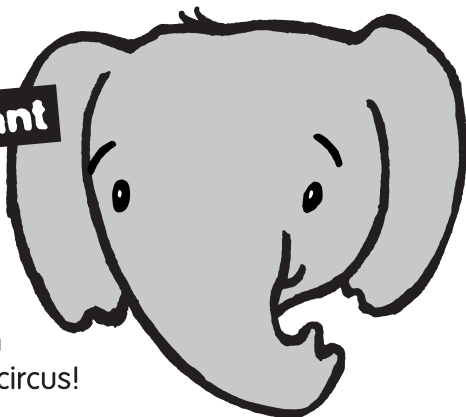

Cow

Hint: Moo-ove over! I need to get out of this dairy farm!

Elephant

Hint: I'm usually chained by my feet because I'm stuck in the circus!

Fox

Hint: I look a little like a dog, but dogs don't have to run away from hunters!
