

SPOT THE PROBLEM

Can you find what's wrong with this picture? Circle all five problems and check your answers to learn how you can celebrate Halloween with kindness for all!

SPOT THE PROBLEM

ANSWER KEY

- 1.) Novelty costumes are made for human enjoyment and can stress out or scare your companion animal.
- 2.) Keep your candy in a safe place and out of reach of companion animals. Many candies are toxic to dogs and cats and can even be deadly if they eat them.
- 3.) Artificial spiderwebs can harm or entangle wildlife. Stick to natural decorations like pumpkins and gourds.
- 4.) Keep your companion animals safely inside to avoid them getting frightened, hurt, or lost.
- 5.) Choose LED lights instead of open flames. Animals can accidentally knock over candles or get burned.
